9 Listen and say. Count, stick, and trace.

 = 20 =

A large orange oval area containing ten circular cutouts for a craft project. Each cutout is divided into two halves by a dashed green line. The top half of each circle is white and contains a dotted number '20' for tracing. The bottom half is a different color and contains a different quantity of sticks: 2, 3, 4, 5, 6, 7, 8, 9, 10, and 11 sticks respectively. The colors of the bottom halves are green, orange, purple, blue, light blue, purple, red, blue, pink, and purple.
