مامان بزرگ زنی

A vibrant illustration of a green frog-like character with large eyes and black-rimmed glasses. The character is holding an open newspaper. The newspaper has several columns of text and some grey rectangular boxes. A small green insect with yellow wings is perched on the top edge of the newspaper. The background is a warm yellow-orange gradient with stylized trees and leaves. The character is wearing a dark green patterned dress with a red window-like shape and green shoes with black laces.
